AT THE HAIRDRESSER'S

Hairdresser: Good morning. I am Maria. What can I do for you today?

Customer: Good morning. I would like a new hairstyle and some colour, please.

Hairdresser: OK. How would you like me to cut your hair?

Customer: I want it to remain long and I want a fringe. Then I would like my hair to be in a bun.

Hairdresser: No problem, madam. And what about your colour? Would you like some highlights or a full colour?

Customer: Actually, I would like both of them- a full colour and then some highlight.

Hairdresser: Of course, madam. Which of these colours would you choose?

Customer: I would like this brown one for the full colour and this blond one for my highlights.

Hairdresser: OK. Please, have a seat. Why don't you look through some magazines while I get your colour mixed?

Customer: Thank you.

...

Hairdresser: It is ready. Do you like your new hairstyle?
